BRIEF ABSTRACT OF LETTER.

With reference to this office letter, no. 398 of the 17.6.08, [illegible] that a portion of the Hunsbanelé village, the whole of which is mortgaged to Govt. for a loan of Rs. 27,500, has been sold to satisfy certain Civil Court decrees, subject to the lien of Govt.

NOTES AND ORDERS.

The previous history of the case is briefly this:—

In 1895, Govt. granted a loan of Rs. 27,500 at 5% interest to the late Mr. Siddaraja Urs and his

aunt Krishnajammanni, on the security of the Inami village of Thumbanerlé in the Nanjangud Taluk, one half of which belonged to each of them, and left the village to the management of the debtor subject to the repayment of the loan by Rs. 2500 a year. No portion of the loan having been paid till 1905, the village was taken under Govt. management, levying penal interest at 12% for the period.

On the 30th June 1908, the loan account stood as follows:

Principal Rs. 27,500.
Interest Rs. 16,819.
Total Rs. 44,319.

This is one of the four bad debts [illegible] by Govt. where the realizations fall much short of the estimate. The net receipts for 1907-8 were Rs. 1693, whilst the annual interest on 27,500 amounts to 1375/. The chances therefore of discharging the loan are very remote.

It has the stated that it is only

to one-half of the village that the Manjaraja Urs, son of the late Siddaraja Urs, has any title, and that it is only this one-half which has now been sold in satisfaction of the debts contracted by the said Manjaraja Urs.

To

The Financial Secretary to the

Government of Mysore.

Sir,

Adverting to para 2 of Govt. Proceedings No. Fl2534-5gl 157-08- dated 1st December 1908, calling for a report upon points noticed in the General And Revenue Secretariat docket No. fl 4875 dated 8th Feb. 1906, I have the honor to state as follows:-

2. The enquiry regarding the secret alienations of certain lands in the Tumbunerle village Najangood Taluk, said to have been made by the Inamdars has been concluded by Mr. T.N. Sundarajiengar Assistant Commissioner who, on the examination of parties concerned is of opinion that the transactions relate to a period anterior to the grant of the land and as such do not operate as detrimental to the interests of Government.

3. The revenue realizations of the village are being credited to the head known as "Personal Deposts held by the Deputy Commissioner on account of encumbered Inamdars" with Treasury accounts, as pointed out by the Comptroller and the net amount available after meeting the periodical charges adjusted towards the discharge of the loan at the close of every year.

I have the honor to be

Sir Secy wants information on the following points:—

(1) Govt getting back their money.

and

(2) Likelihood of saving the situation even in say 20 or 30 years.

As regards (1) —
it has been decided that this is not possible by instituting a suit please see flagged A

As regards no (2)—
It will appear from the by Comrs letter that the amount due on account of this loan is

Principal — 27500
Interest — 16800
Total 44300

At this rate of repayment
~~4350~~ 4430 Rs ~~will~~ at 5% it
will not be discharged at all
as the interest exceeds the
income.
The principle of Rs 27500
at 5% alone will take 27.8 years.
If no interest is charged
on the interest already due,
it will take about another
8 years.

It is not known why
the Dy Com: apportions out of the income
only a certain amount towards
the interest on Sabantian
Lakshmipathi's Debt
of Rs 10000. The Govt
loan was given with
express direction that the
previous encumbrance
should be discharged. If J + P2
this has done there appears

to be no reason why
his Debt should have
still any claim on the village
mortgaged to Govt.
